Five K of C Games Competitors Named to Canada's World Relay Championships

Five of the 23 athletes joining Andre De Grasse in Nassau, Bahamas, on April 22 & 23 for the World Relay Championships started their season right here in Saskatoon at the K of C Games.

Gavin Smellie, Segun Makinde, Crystal Emmanuel, Farah Jacques and Shaina Harrison will join De Grasse and 17 other Canadians, including former K of C Games competitors Aaron Brown and Carline Muir.

This is the third time the meet will be held (the first two were in 2014 & 2015, both also in the Bahamas) and is an important stepping stone as the top 8 teams in the 4x100m relay and 4x400m relay will automatically qualify to compete at this summer's World Athletics Championships in London, England.
